Dear Applicant,

You have been approved for a national interest exception to all Presidential Proclamations restricting entry to the United States related to COVID-19.

THIS CORRESPONDENCE IS FOR INFORMATIONAL PURPOSES ONLY. IT IS NOT REQUIRED FOR AIRLINE BOARDING DETERMINATIONS.

This exception is valid for multiple entries into the United States during a 12-month period for the following individuals **only for the purpose of travel for which this NIE was requested:**

Tyagi Kuldeep 8-Aug-1978 P4464461
Validity Period: 04/OCT/2021 to 03/OCT/2022

Your exception is processed electronically, and no paper document is needed.

Your admission to the United States remains subject to a determination by Customs and Border Protection officers at the port of entry. Upon entry to the United States, you may be required to self-quarantine and/or be subject to additional restrictions imposed at the Federal, state and/or local levels.

The Centers for Disease Control and Prevention (CDC) requires all air passengers entering the United States to present a negative COVID-19 test (a viral detection test for SARS-CoV- 2 approved or authorized by the relevant national authority), taken within 72 hours of departure. Airlines must confirm the negative test result for all passengers before boarding. Airlines must deny boarding of passengers if they do not provide documentation of a negative test or recovery. This requirement is separate from the visa application process. Travelers holding a national interest exception also remain subject to all applicable pre-departure testing requirements.

Sincerely,

U.S. Embassy
New Delhi
India
