

Texas Department of Public Safety

Driver License Division

License Eligibility

View Requirements

If you are not KULDEEP TYAGI, please log out and report this issue to driverlicenseerrors@dps.texas.gov . Thank you.

The requirements associated with your license eligibility are divided into the following four sections:

- Medical Certificate Information (if applicable)
- Compliance Requirements
- Other Requirements
- Fees
- Verification Of Lawful Presence Status

Please read each section carefully and follow all of the instructions.

STATUS: Your license status is currently ELIGIBLE. A status of "eligible" means you are allowed to drive if you have a valid driver license in your possession. If you do not have a valid driver license, you are eligible to apply for one. Just stop by any Driver License Office location.

Medical Certificate Information

Medical Certificate Status Code	NONE
---------------------------------	------

Compliance Requirements

You do not have Compliance Requirements to complete at this time.

Other Requirements

You do not have additional requirements to complete at this time.

Fees

You have no fees that can be paid online at this time.

Verification Of Lawful Presence Status

This section is applicable only to those who are currently waiting for a response from USCIS for their lawful presence verification.
